Believing that prejudices start at a young age we have created a program called Asian American Storytopia. Each 15-to-20 minute video consists of diverse stories and fun activities presented by Asian American storytellers from around the country. The program is free (although donations are always appreciated) and available on our YouTube channel:

From the Archives: Chinese Likenesses from San Francisco Portrait Studios

The California Historical Society holds a number of portraits of Chinese sitters at San Francisco photography galleries taken between the 1860s and the 1890s. Typically showing ordinary men staring directly into the lens, or women looking slightly off-camera, they provide a striking contrast to the many troubling images of Chinese people that were produced in early California.
